

IT'S WATERPROOF!

FERROXX
SLUG AND SNAIL BAIT
AQ

Bait Back!

- New waterproof formula—rain, mold and water resistant
- Unique mode of action = superior activity in wet and cool weather
- Pellets are highly palatable to slugs, eliminating bait shyness
- Kills fast—dead slugs and snails observed within 24 hours
- Controls all major slug and snail species including juvenile slugs and giant African land snails
- Unlimited number of applications per year allowed, no retreatment interval
- Small Micro-pellet® for maximum number of baiting points
- Broad label includes corn, soybeans, vegetables, berries, nursery stock
- Residue (MRL) exempt
- Zero PHI, 4 hr REI
- Easy to see blue pellets
